

Full Name	Sophie Nicole Leggott
Year of Study	2
What has been worked on in the past month?	<ul style="list-style-type: none"> • Surveys used to gain feedback from online learning last term • Meetings to discuss the way online learning worked last year and feedback given in order to develop online learning for next year. Ways to improve online learning were discussed and ways to make it more engaging and interactive. • Supported students with any queries they have with regards to grades and re-assessments.
Successes from the past month and any Reps Wins	<ul style="list-style-type: none"> • Feedback given to myself with regards to university and writing which has led to an academic writing workshop being put together to support the incoming cohort and other students who wish to attend within the School of Geography. • Feedback given to academic staff with regards to online learning and a plan developed with key pointers as to how the school will ensure online learning is prepared and interactive for all if it needs to be used.
Plans for next month	<ul style="list-style-type: none"> • Developing a “buddy” scheme within the School of Geography to offer further support to the new first years and provide all years with another point of contact to ask questions and develop communication between years. • Working with the staff and Geography Society to set up a weekly drop-in session where questions can be asked and support with work and anything else that people need support with.
