
Full Name	Daniel Fitzer
Year of Study	3
What has been worked on in the past month?	This past month I have continued to think about what I will be able to achieve this year while also factoring in the restrictions due to the pandemic. I also have to wait as there are currently no course reps as the elections for them are in October
Successes from the past month and any Reps Wins	I've agreed to take part in Unibuddy a messaging app where students and prospective students can contact current students such as myself so I can represent the university. Ive also been speaking with the economics society committee about plans for the upcoming year
Plans for next month	I have agreed to take part in the open day where I will represent the school, and will continue to think of how i can help while waiting for course reps to be nominated
