University of Lincoln Students' Union Student Council
Monday 16th March 2014, 6pm - Moot Court, David Chiddick Building

Motion: Caution against Members not sending reports on time

This Council Notes

- 3.1.6 The Clerk (on behalf of the Chair) shall display on the Union's website the agenda, accompanying papers and confirmation of the location for the Students Council meeting, at least five (5) clear working days before the meeting
- Some of the members who have to give reports in are in their third and final year of university meaning they are busy with deadlines and writing their dissertation
- Some members have sent their apologies to explain that papers will be late for various reasons

This Council Believes

- By not having the reports in by the deadline, paperwork cannot be displayed five clear working days before the meeting
- Members have been given enough warning before the deadline and received a three day warning and a two hour warning to ensure paper can be sent on time

This Council Resolves

- To pass a motion of caution against: Sophia Bishell (Societies Officer), Holly Marriott (LGBT Students Officer), Mutani Yangwe (Mature Student Officer) and Natasha Chapman (Women's Students Officer)

Proposer: Alexandrya-Carmen Mbu, Chair of Student Council

Seconder: Nyasha Takawira, Vice President Academic Affairs
