<b>What has been worked on in the past month?</b>	In the past month I've been working with staff and students to best support everyone in the new norm of distance learning.
<b>Successes from the past month and any Reps Wins</b>	Successes have included making sure all students are up to date on assessment guidance, and helping to write an email from all the Reps to staff to make sure they're also coping with the new transition. This was very well received.
<b>Plans for next month</b>	Continue to support students with information on assessments, and provide support to those struggling with Extenuating Circumstances claims and Extension requests
