<b>What has been worked on in the past month?</b>	This past month I have been working on filling up the rest of our rep positions as there was a slight issue with the elections that resulted in very few reps. This month has been challenging though as Gary, our student engagement lead, has been off sick so it's been slower to get new tasks done.
<b>Successes from the past month and any Reps Wins</b>	One of our successes is that we round about doubled the amount of reps we had and this was achieved efficiently as we didn't need a bi-election. We've also helped make adjustments to one of the module handbooks so that it is clearer and more helpful for students who will be taking the module next semester.
<b>Plans for next month</b>	Our plans for next month is to fill the rest of the rep positions so Politics and IR students are better represented.
