What has been worked on in the past month?	Over the past month, I've been looking into how our fundraisers could work for the upcoming year especially with the current situation as these are a major part of our school. I've also been preparing for when all the reps are elected in October as we currently only have a few.
Successes from the past month and any Reps Wins	Very few reps were elected in the first election so looking forward to electing the rest. It's been a pretty quiet month with just a lot of planning behind the scenes happening.
Plans for next month	Ensuring there is at least one rep for each discipline and each cohort as that didn't happen last year. Making sure once elected everyone is welcomed especially the first years!
