Year of Study	2
What has been worked on in the past month?	<p>We still do not have reps as they aren't elected until the academic year has started.</p> <p>The school of education has published some helpful advice regarding changes to teaching and learning in 20/21 so student are able to prepare for the year ahead.</p> <p>There has also been a schedule published for freshers week outlining some helpful events and information to further prepare students for the new style of teaching.</p>
Successes from the past month and any Reps Wins	<p>Sadly no rep wins yet as we do not have our reps elected.</p>
Plans for next month	<p>Once the academic year has started I will be emailing the various year groups about rep opportunities and see who is keen to take part.</p> <p>They will also be checks made to ensure everyone has access to all the necessary learning materials and has a clear idea of how teaching and learning will take place next year.</p> <p>The SoE is also in the early stages of setting up an academic society so I plan to speak to the chair and see how it is developing and to see how I and other pupils will be able to engage with the society moving forward.</p>
