

Volunteer Officer Report October 2019

Harry James Margarson

What has been worked on in the past month?

This Past Month I have Been doing the 1-1 Drop in at The SU, helped out in the first Sports Hub and Took part in an Activities Hub. I have been pushing the team photos and contacting teams that have yet to book their slots. I have been to see BUCS Fixtures which have taken part at the Sports Centre and the SU. I have taken part in the Inclusivity campaign and the Uni Boobs Team Campaign.

Successes from the past month and any Reps Wins

BUCS has begun and all without problems and have I have identified areas where we could improve within sport at the university and carrying on through with this to see if we can utilise the facilities we have to take part in as much sport as possible.

Plans for next month

Plans for next months will be similar to this month. But working towards designing an SU fun run, doing research into gym usage and try to attend training sessions of sports teams.
