

Volunteer Officer Report December 2019

Matt Healey – Sport & Exercise Science Rep

What has been worked on in the past month?

Changes have been made to assignment submissions and feedback so almost all assignments are now paperless.

Successes from the past month and any Reps Wins

Changes to courses have been made based on feedback from students.

Plans for next month

Feedback based on new paperless submissions and feedback system from students.

Making sure the lab technicians can handle the high demands of 3rd year dissertation students using the new online booking room system.
