

Volunteer Officer Report October 2019

Amelia Jane Cullen

What has been worked on in the past month?

I have worked on timetabling issues and also issues such as chairs/tables being unsuitable. I have also asked about having a lecture before we make our choices for our project.

Successes from the past month and any Reps Wins

3rd years will be having a talk before reading week about the structured project.

Plans for next month

To bring the timetabling and chair issue to a college level.
