

## **Volunteer Officer Report February 2020**

Katie Smith - English & Journalism School Rep

### **What has been worked on in the past month?**

In the last month I have been working on marketing for the School Action Day and things to do for the Festival of Creativity!

### **Successes from the past month and any Reps Wins**

Despite the turnout from the School Action Day, a lot of my course reps came and a lot of ideas and solutions to problems was brought to my attention as well as my lecturers and engagement lead. Things such as timetable issues, the need for recording lecturers, bridging the gap between journalism and English students, and potential assignment drop in sessions every week!

### **Plans for next month**

My plans for the next month are going to include the things from the School Action Day that I can make happen before we leave for the summer, and working on the festival of creativity!
