

Volunteer Officer Report October 2019

Michael Barton

What has been worked on in the past month?

1st years have settled in and are getting on with uni life.

School action day has been going through planning processes.

The first course rep elections have been run and those who were elected have their training today (25th October).

Successes from the past month and any Reps Wins

Reps haven't been trained yet so have no work currently underway yet.

Plans for next month

Ensure we get as many course reps as possible to start the communication with students.
