
Full Name	James Morrison
Year of Study	1
Rep Role	Activities Officer – Academic Societies Officer
What has been worked on in the past month?	In the past month I've been working with Georgia to start setting up new academic societies for schools that currently lack them, and have been discussing plans for employment opportunities and academic society-led events with the PGR officer!
Successes from the past month and any Reps Wins	Last month I was contacted by some students from the School of Education looking to set up an academic society, and we've helped them get everything ready in time for next year!
Plans for next month	Next month I hope to get the rest of the new academic societies some progress, and to recover ready for the second half of the semester!
