

## **Volunteer Officer Report November 2019**

Lexy Marchant – Academic Societies Officer

### **What has been worked on in the past month?**

I have completed my first Hub! Been working on adding more cluster reps to the academic societies group. Have been trying to get into contact with course reps etc to try and get more academic societies started

### **Successes from the past month and any Reps Wins**

The new cluster rep structure for academic societies was approved!

### **Plans for next month**

Continue trying to contact reps and academics to get some new academic societies, get some more teams for 8 out of 10 swans and try and get some more people signed up for I Love Tour!
