

Volunteer Officer Report December 2019

Fiona Hutchinson – School of Pharmacy Rep

What has been worked on in the past month?

Talking to new Head of School and MPharm module lead about their plans for overhauling both curriculum delivery and some behind the scenes organisation, both of which aim to improve organisation and communication throughout the school - a lack of which seems to be behind the vast majority of issues raised by students.

Successes from the past month and any Reps Wins

We have been told we can have more desks in the study spaces in JBL.

Plans for next month

Exams, assessments and settling into semester 2!
