

Volunteer Officer Report February 2020

Olly Bramhill – School of Film & Media Rep

What has been worked on in the past month?

The Media Production Reps have begun taking statements from students on the topic of feeling overwhelmed and lacking time to spend on dissertation.

They feel the combination of workloads of multi-cam, dissertation and creative enterprise is too great and leaves them feeling out of time.

Considerations of causes are a lack of external motivation to begin working early on dissertation despite a proposal.

Preparation for the industry forum/school action day.

Successes from the past month and any Reps Wins

A fantastic amount of communication and effort by the Media Production reps between myself and their tutors in regards to the earlier issue.

Plans for next month

School action day will be occurring.
