

Full Name	Rhiannon Elizabeth Nicola James
Year of Study	1
What has been worked on in the past month?	<p>During this past month, I have met with the previous School Rep to have a hand over of the role. Since then, I have joined several meetings, such as the Psychology Rep meeting and the Blended Learning Meetings. This has allowed me to add input not only into how to improve the experience of students for the new academic year, but also how teaching can be adapted for online learning due to Covid. Making sure that both new and returning students have a positive experience after lockdown is a priority of mine. Along with the College of Social Science Officer, I have been looking at possible ways to make Blackboard more accessible for students.</p>
Successes from the past month and any Reps Wins	<p>I have successfully been able to gather feedback from students regarding the extension of University days. This in turn will help to plan how the new academic year will be run, with Covid safety guidelines in mind. I also took part in a meeting with the other School Reps within the college, I am looking forward to working with them!</p>
Plans for next month	<p>I will continue to attend and assist with Blended Learning meetings, as well as Rep meetings. I aim to assist staff as much as I can with the transition into online learning. I will aim to work with the Student Engagement Lead on ways to improve the experience of new and returning students, particularly the social aspects, such as Fresher's/Induction Week in light of the Covid Safety guidelines.</p>
