

Volunteer Officer Report October 2019

Stephen Red Telado Hernandez

What has been worked on in the past month?

Our first committee meeting. We talked about the future of ISA and listed action plans for each committee member for the next meeting.

Successes from the past month and any Reps Wins

The international forum was a success and we managed to get a lot of feedback from students to get more info on specific events or any international related issues.

Plans for next month

Organising Lunar New Year and International Day
