| What has been worked on in the past month? | <p>This past month, I have assisted Law School staff alongside course reps by providing feedback on the newly modified module handbooks to be used for the 2020-21 academic year.</p> <p>This month, I created the first course rep group chat. This is because course reps have been using their role during the summer months by assisting law school staff, so I saw this beneficial rather than waiting until October.</p> |
| Successes from the past month and any Reps Wins | Successes from the past month include providing valuable feedback to staff & having an input on the learning methods for the new academic year. It is great to be relied upon for feedback. |
| Plans for next month | Next month I plan to complete my key performance indicator with what I aim to achieve as school representative whilst continuing to assist staff where possible to give a student perspective into the new method of teaching. I hope to be preparing for the new intake of students & welcoming back students in October. |
