

Volunteer Officer Report January 2020

Eddie Foster – Law School Rep

What has been worked on in the past month?

During the past month, I have met with all the course reps to discuss issues raised last term and whether they have been fixed or if they're still being worked on. We also discussed new issues, and NSS was discussed with the 3rd year reps.

Successes from the past month and any Reps Wins

The second year reps have collected information from second years regarding a module (an ongoing issue) to understand what the situation is like now.

Plans for next month

For the upcoming month there are several things to prepare for:

- NSS
- School action day
- Level 1/2 elective event
