

Volunteer Officer Report December 2019

Ben Cattle – School of History & Heritage Rep

What has been worked on in the past month?

Following feedback from students, I've spoken with our student engagement lead to consider how we can give students more time to prepare for modules before the start of new seminars.

Successes from the past month and any Reps Wins

Nothing major came up to be resolved which in itself is a win.

Plans for next month

It will be good to use the start of the new time to get student's reflections on the previous semester's modules as well as making sure third years are aware of the approaching NSS.
