Year of Study	2
What has been worked on in the past month?	Over the past month, not much has been worked on. As there still is a bit of time left until we start in October, I don't want to get carried away with myself. I've spent the time getting to know my reps from the college and making sure they are okay. I've made a notepad of all the things I plan to achieve this year, including planned social media posts. I'm looking forward to a positive year no matter what gets thrown at us!
Successes from the past month and any Reps Wins	I am scheduling a meeting with the head of the college to talk about plans for the year ahead and things we can work together on! They seem very encouraging to sit and talk and see the same visions as me, so I'm really glad.
Plans for next month	Plans for next month include doing more on my 'Why Arts Matter' campaign! They may only be small steps but they are better than nothing!
