

Full Name	Gabriela Clarke
Year of Study	3
What has been worked on in the past month?	<p>This month has been a hard one due to some of it being in self-isolation, however:</p> <ul style="list-style-type: none"> -Freshers week, made myself known to all the first years in the school of chemistry by appearing in talking during welcome week. -Made a google form where students can go and submit chemistry specific feedback -Made a survey for academic society presidents to answer for me to find out what I can do to help them -In the process of constructing an email to go to all SoC students to introduce myself, college of science officer and all reps (when elected) -Further rep training completed
Successes from the past month and any Reps Wins	<ul style="list-style-type: none"> -Wrote KPIs and amended them with recommendations from Georgia -Managed to make a voice with first-year SoC students -Pointed some students in the right direction as they were unsure who to contact due to them having to self isolate -Successful first few weeks back to university!
Plans for next month	<ul style="list-style-type: none"> -Get into contact with elected reps when that information is released -Get into contact with academic society presidents with the survey I have constructed for them to gain feedback -Send out the welcome email that needs to be finalised with elected course rep contacts in them so that the feedback form can start updating its analytics
