Year of Study	1
What has been worked on in the past month?	I've been working on establishing connections with my fellow officers and students, getting settled into the role and ready to give back feedback!
Successes from the past month and any Reps Wins	So many meetings! I've already been able to attend a number of staff student panels like the Digital Education Sub Group and Academic Board, as well as meeting the Dean of Post Graduate Teaching, which has been great for raising any issues and making connections.
Plans for next month	Inspired by the successes of my fellow senior reps, I'll be setting up an Instagram account to further open up communication with PGT students (@ulsu_pgt for a bit of a shameless plug) as well as getting set up with the newly elected Post Graduate Research Officer!
