
Full Name	Katie Sian Louise Smith
Year of Study	2
What has been worked on in the past month?	In the past month I have been training to become the college of arts officer and finding my feet within the role ready for the next academic year.
Successes from the past month and any Reps Wins	School reps across the college of arts have made sure they have close contact with their head of schools and attending the right meeting. Student representation has been done well.
Plans for next month	Plans for the next month include everything we are doing now. Making sure students are happy and supported, that they understand what's going on, that they don't commit an academic offence, etc. I will continue to find my feet within this new role and make sure that I am fully ready for the next academic year.
