

<b>Full Name</b>	Zoe Hoy
<b>Year of Study</b>	3
<b>Rep Role</b>	Campaign Network – Disabilities Officer
<b>What has been worked on in the past month?</b>	<p>In the past month, I have had a meeting about the accessibility report progress in which almost everything that was raised is either completed or is ongoing/nearing completion.</p> <p>I have also had meetings with my committee to discuss concerns about the next term. Myself and my committee are collecting feedback from students about any issues they have had this term both on-campus and online.</p> <p>Myself and my committee also took part in a campaign that is going to be happening soon for the peace of mind society and the mental health wellbeing lead.</p> <p>I have also started to write Decembers Blog, which includes more detailed information about the progress of the accessibility report, responses to feedback, and a general update.</p> <p>I have also received email updates for various things like sunflower lanyards and disability football which are in progress, but they have been slowed down to the pandemic.</p>
<b>Successes from the past month and any Reps Wins</b>	<p>The Accessibility report is almost complete which is amazing! There are only a few things left on it, most of which are ongoing things that will either need to be thought about in the future or are nearing completion upon returning to 'normal'.</p>
<b>Plans for next month</b>	<p>In the next month, myself and my committee hope to arrange some different online socials along with some other members of the campaigns network.</p> <p>Myself and my committee will also continue to provide support for students during this difficult time through email and social media.</p>
