

## **Volunteer Officer Report January 2020**

Joanne Copson – RAG Officer

### **What has been worked on in the past month?**

I have held a committee meeting where we came up with ideas for this semester. I have had meetings with environmental, LGBT and Rugby union to speak about events. I have also spoken to BAME about holding an event and I have also contacted women's basketball about helping with our sports relief event.

### **Successes from the past month and any Reps Wins**

Events have been planned and we have addressed some issues with our challenge leaders not being able to contact participants.

### **Plans for next month**

Hold a valentines event with Rugby Union to raise money for CRY. Contact more sports to arrange sports relief events. Speak to BAME and societies about holding events in aid for CRY.
