What has been worked on in the past month?	The past month, I have worked on RAG transitioning into a society. I have added four new committee roles for RAG which are: Inclusivity Lead, Environmental Lead, Social media and Engagement Lead and Events Coordinator. I have also designed the new RAG logo, set up a facebook page and contacted sports and societies making them aware of RAG's transition. I have been working with Abi Brown to discuss my KPIs this year and what I want to achieve in my role as RAG officer. The charity application was sent out on 17th July and charities can now nominate themselves to become our next charity. I have also been collecting feedback on how students feel about returning to campus and if they have any concerns
Successes from the past month and any Reps Wins	Gaining a full committee and officially launching RAG as its own society.
Plans for next month	As a committee, we will be shortlisting the charities that have nominated themselves and then we will be choosing our charity accordingly. We will also be looking at an event schedule from October to January as there is a lot of planning to do when it comes to events to ensure we are within the government guidelines.
