

Volunteer Officer Report January 2020

Ben Cattle – School of History & Heritage Rep

What has been worked on in the past month?

We've been touching base with the student engagement led to keep on top of any major issues that arise. Currently, the focus is on preparing for the upcoming NSS survey.

Successes from the past month and any Reps Wins

Nothing much has taken place over the Christmas break, but it does look hopeful that we will have several candidates for school rep next year which is positive.

Plans for next month

There will be continued discussion with the director of teaching for the school about our involvement in the Festival of Creativity as well as work with the History Society to plan out the school ball.
