

Full Name	Jacob Vause
Year of Study	1
Rep Role	Postgraduate Students' Officer (Research)
What has been worked on in the past month?	I gained the post at the start of December, and have talked to Georgia about possible ideas to be worked on next semester.
Successes from the past month and any Reps Wins	I talked to Georgia about my future plans, such as the possibility of setting up a research conference for Postgrad students to network, this may also include Undergraduate students. To work with the PGT officer and Academic Societies Officer to help with further Inclusion and Communication between Postgrad students. I created a Instagram and Twitter to help with further communication with students.
Plans for next month	To further plan working on the research conference with Georgia. Also work with the Academic Societies Officer to help with Postgrad networking opportunities.
