
Full Name	Angela Brenda Harwood
Year of Study	1
What has been worked on in the past month?	Settling into the new role and completing my training. I've also worked alongside reps and staff members to continue developing the student mentoring scheme. I've also been doing some planning for a careers fayre.
Successes from the past month and any Reps Wins	Had a useful meeting with other school reps and the college officer which discussed a lot of good plans for the next year such as a careers fayre.
Plans for next month	Help new students integrate into university life by starting the peer mentoring scheme as well as introduce myself to the new student representatives who will hopefully be electing themselves next month.
