

Volunteer Officer Report October 2019

Rhys Stephen Davies

What has been worked on in the past month?

Over the past month, it's slowed down a little in pace from the first two weeks! I've been working closely with Abi and Lexy (our new Academic Societies Officer) to plan 8 out of 10 Swans, and making sure that I'm available as much as possible for drop in sessions in the activities office.

I've also been helping mediate tensions between committees that have been made aware to me and attending society socials to see how societies are doing! The societies tour is also in the final stages of creation, with daily correspondence between myself and I Love Tour - to create the best societies tour to... Prague!

Successes from the past month and any Reps Wins

The first qualifier of 8 out of 10 Swans went amazingly well! We had a record number of students (123) turn up to the Platform for the event, and it was enjoyed by all. Myself, Abi and Lexy can't wait to get stuck in on the other rounds, it's always such a fun evening to attend and run. If you haven't been yet, then come along! November 5th at 6PM.

Plans for next month

Next month, planning will still be underway for the societies tour, as well as the next rounds of 8 out of 10 Swans. I'm hoping to go visit more societies, and look into what other events I can either help plan or assist with in the #wearelincoln community!
