
Full Name	Jake Muff
Year of Study	3
What has been worked on in the past month?	This month we had our subject committee meeting where we managed to clear some things up regarding individual modules happening midway through the second semester. I also worked on keeping students informed about the situation regarding COVID-19.
Successes from the past month and any Reps Wins	Last month we were successful in keeping the students updated regarding the Coronavirus Pandemic as well as ensuring a smooth transition into online teaching and learning, holding virtual meetings as a rep group. Some key changes have already been made to the delivery of certain modules such as Advanced Topics and Scientific Computing.
