

## **Volunteer Officer Report February 2020**

Dannielle Threlfall – School of Computer Science Rep

### **What has been worked on in the past month?**

Within this month, we have worked through some issues regarding feedback from assignments and other issues regarding marking.

### **Successes from the past month and any Reps Wins**

There hasn't been many issues this past month. The school seems to be running smoothly.

### **Plans for next month**

To continuously support students as we head into the end middle of term, where assignments are being released and issues may arise.
