

Volunteer Officer Report November 2019

Joanne Copson – RAG Officer

What has been worked on in the past month?

During November we hosted RAG Week! Overall we have raised £431.89! The committee are all really happy with everyone's efforts throughout the week! We held a quiz, lip sync battle, bucket collecting, Pudsey coin collection and a row-athon with the rowing team who manages to row 100k in 8 hours.

Successes from the past month and any Reps Wins

Raising over £400 in one week has been a really good experience and now we are looking forward to hosting more events!

Plans for next month

We are going to be meeting to organise a Christmas event before we break up. I also want to get volunteers more involved as currently we are struggling with involvement from them.
