What has been worked on in the past month?	We had our School Action Day earlier this month. Rather than looking at the ongoing issues for the hundredth time, we opted for a more positive session around reclaiming our school community for students and staff. We looked at the existing learning agreement and motto, whether they were still appropriate or if any changes were needed - and if so, what!
Successes from the past month and any Reps Wins	Nothing of note.
Plans for next month	Getting through assessment period successfully despite the current circumstances, with all students able to complete assessments to progress, or graduate, as planned.
