<b>What has been worked on in the past month?</b>	This past month the school has focused on creating and releasing the new methods of assessment for all years. Portfolios for 1st, 2nd and 4th. Online Presentations for 3rd and 5th.
<b>Successes from the past month and any Reps Wins</b>	Despite all the issues caused by coronavirus, tutors have still been helpful and met with students online to help them progress their work.
<b>Plans for next month</b>	Over the next month we will be working in order to allow the final year students to finish their years with as little issue as possible caused by all goings on. As well as making sure that the other years still continue to have their needs kept until their end.
