What has been worked on in the past month?	Over the past month, my committee and I have been working on several campaigns in different areas of our community. The one we are working on the most at the moment is our Neighbourhood Bubbles campaign which will hopefully come out after the Christmas break.
Successes from the past month and any Reps Wins	Successes from the past month have included our Equalities Lead, Faith, writing a brilliant blog post update for the Student's Union News and this being posted on the website, which includes lots of information about what we had been working on, and what we plan on doing in future.
Plans for next month	Over the next month we will have hopefully released our Neighbourhood Bubbles campaign for everyone to use; and then be continuing on with more social media campaigns, as well as continuing on with our streetlights campaign.
