
Full Name	Rhiannon Elizabeth Nicola James
Year of Study	1
What has been worked on in the past month?	I am continuing to attend Blended Learning Planning meetings, in preparation for the next academic year. I have been able to successfully provide feedback to staff regarding next year. I have also arranged meetings with the Student Engagement Lead, to generate ideas on how to make the new academic year more inclusive as it moves online.
Successes from the past month and any Reps Wins	Unfortunately, there are currently no elected reps for psychology, but I am looking forward to meeting them all when they are elected!
Plans for next month	I will be continuing to help with Blended Learning planning where possible, as well as with the Student Engagement Lead. I will also be attending a Neurodiversity conference as part of the student panel. I would like to gather feedback from students regarding this, so I can highlight any potential issues neurodiverse students may face while studying in HE. With this feedback, I would like to implement any solutions within the School of Psychology.
