What has been worked on in the past month?	<p>-A student support scheme was set up where buddies were assigned to first year tutors and helped them with their induction tasks during welcome week. These buddies have committed to staying with these tutors throughout the year to become a mentor for the first years.</p> <p>-Senior Rep meetings have been held to discuss wins and challenges so far in our roles and to give any feedback and gain help and advice to help us in upcoming weeks and overcome any challenges.</p>
Successes from the past month and any Reps Wins	<p>-Around 21 students including course reps volunteered themselves to become a buddy in the new student support scheme. They attended a training meeting on teams and helped all first years complete their induction tasks. They have all committed to stay with the tutors throughout the year and help to mentor first years.</p>
Plans for next month	<p>-Make sure all students are aware of the upcoming course rep nominations.</p> <p>-Use course reps and staff to gain feedback regarding the first few weeks of the academic year.</p> <p>-Attend my first academic board meeting and education and students committee.</p>
