

## **Volunteer Officer Report November 2019**

Kyle Murfet – School Rep – Department of Accountancy, Finance & Economics

### **What has been worked on in the past month?**

During November we had Speak Week, which provided students with the opportunity to voice any concerns or issues they were having with their course.

### **Successes from the past month and any Reps Wins**

Programme leaders made aware of issues faced by students via Speak Week.

### **Plans for next month**

Next month I plan on giving the students in the department adequate support as exams and assignments begin to take hold
