

Full Name	Emily Dale
Year of Study	1
Rep Role	Postgraduate Students' Officer - Taught
What has been worked on in the past month?	I've been able to establish my instagram account @ulsu_pgt, running several Q&A sessions, as well as obtaining emails for all reps and planning out a survey to gather feedback from PG students.
Successes from the past month and any Reps Wins	Several successful Q&As, as well as making contact and planning future areas to look into with Jacob, the PGR officer!
Plans for next month	Release my survey, report the feedback back to those in need of it and hopefully set up a games night with other PG reps to encourage communication!
