<b>What has been worked on in the past month?</b>	In the past month I have worked on making sure that societies are more visible by ensuring that all of their wins are shared on social media. I ensured that I spoke to as many societies as possible during the Virtual Societies Fayre to see how they were finding everything and to try and answer any queries they had about the system. Across the two dates I managed to speak with 27 different societies!
<b>Successes from the past month and any Reps Wins</b>	This month we have successfully re-established the Society of the Week! Congratulations to the Peace of Mind society and the British Sign Language Society on their wins so far! Also, the first Societies Hub of the year was a great success!
<b>Plans for next month</b>	Next month I plan to be more active on social media and with societies ensuring to help them with all questions/queries they have. I also plan to attend some taster sessions and help committees secure their minimum number of members required. I also plan to work closely with the soon to be appointed cluster reps to really understand what issues are being faced by societies at current and try to help ease as many of them as possible.
