
Full Name	Sophie Leggott
Year of Study	3
What has been worked on in the past month?	Over the past month, I have been working on the implementation of the buddy scheme. Mentors have now been recruited and the training session is set to take place ready for the new term. I have also been supporting the geography society to find opportunities. Furthermore, I have also signed up the School of Geography to the Royal Geographical Society ambassador scheme.
Successes from the past month and any Reps Wins	Designing of a rep newsletter to aid with communication and aiding with FAQ's as the new term approaches. The reps are ready for the new term and we will look into holding drop-in sessions to aid students further.
Plans for next month	Preparing for the mentor training. Ensuring everything is clearly set out for the new term and getting the newsletter distributed. I will further look into the drop-in sessions and how else we can help new and returning students as we move into the new term.
