
Full Name	Charles Wilson
Year of Study	3
What has been worked on in the past month?	<p>Now we have the latest guidance on how teaching will take place with COVID-19 restrictions in place, students have received specific details of how this will work in the SoE. They have also had the opportunity to meet in their course/ year groups to ask their program leaders any questions about the year ahead.</p> <p>Communications are also being sent out to signpost important people and helpful contacts such as staff, ME, the SU and student welfare.</p>
Successes from the past month and any Reps Wins	N/A as reps aren't elected yet.
Plans for next month	<p>Identify initial teething problems with the blended learning approach and then get the problems worked on with the support of SoE staff.</p> <p>Finally get to speak to everyone about course reps and start the process of getting them elected (hopefully have this finished within the first couple of weeks).</p>
