

<b>Full Name</b>	Valeria Mendez Jaramillo
<b>Year of Study</b>	2
<b>Rep Role</b>	School Rep - Management
<b>What has been worked on in the past month?</b>	I have attended to various meetings and have planned to start sending out announcements to the appropriate course leaders, for them to post these on Blackboard in order to show other students (especially first year students) how being a course rep is like, to then encourage them to join as some courses do not have reps yet and I believe that this is something very important.
<b>Successes from the past month and any Reps Wins</b>	<p>As the School Rep, I was Invited to join a meeting for one of the modules (Corporate Reputation and Public Relations) with the course reps of International Business Management. We discussed Important aspects that were worrying students and were given an extension.</p> <p>A group of reps and I have planned a Christmas party and other ideas for the following year to interact more with students.</p>
<b>Plans for next month</b>	I plan to get more feedback and create a plan with course reps in order to ensure that we are more interactive with students to get all of their comments, their experience during Christmas and the return of online classes.
