Year of Study	3
What has been worked on in the past month?	Most of our focus has been on collecting feedback about the move to online teaching and how that's affecting students.
Successes from the past month and any Reps Wins	People's honest feedback is helpful and people are mostly positive which is always great to hear.
Plans for next month	At this point planning seems a bit risky, but we'll probably be focused on keeping an ear to the ground on online teaching.
