What has been worked on in the past month?	Over the past month I have been in contact with Societies helping them with the run up to the new academic year. I have also been in a meeting with Abi to discuss all progress made so far.
Successes from the past month and any Reps Wins	I have ensured that social media is up to date and shared all societies information to make sure that they are heard!
Plans for next month	Help societies get off to a great start to the academic term! Provide help and support surrounding the new COVID-19 rules and regulations. I am planning to attend society taster sessions to say hello and speak about all the amazing work our societies do. I will also be attending the virtual Societies Fayre to make sure all societies feel comfortable and help them with any questions they may have. I can't wait for the Societies Fayre!
