What has been worked on in the past month?	My last piece of work was the pilot scheme for society feedback! Will be drawing this up and submitting for hopefully implementation in September!
Successes from the past month and any Reps Wins	The Lincoln community has been amazing during the closures with so many societies getting involved, great to see societies like Gaming and Terrible Film move online too.
Plans for next month	Just be ready to help where and when I can, and ready for the SU to reopen!
