What has been worked on in the past month?	Over the past month it has been really quiet so not a lot has been happening. I have been making sure the reps within the college of arts are okay and coping within these strange circumstances.
Successes from the past month and any Reps Wins	Successes from the past month include frequent updates with the VPE, other college officers, the director of education and the head of the college. As it is coming up to exam season these frequent updates will be important.
Plans for next month	Plans for the next month include keeping these updates going and planing out the next steps with my arts campaign based around the creative showcase.
